We Help TWO

THE NEED

Through the We Help Two Student Sponsorship Program, FCCLA members can provide a child with the ability to attend a high-quality private school in Uganda. Not only will the student receive an excellent education, but also meals and new uniforms. The best part is that you can correspond with your sponsored student during the school year.

THE GOAL

This year, FCCLA is challenging chapters to host a We Help Two fundraiser to help meet our goal of sponsoring 25 students. For every 110 packs of socks sold, one student will be sponsored for an entire year. Sponsorship includes tuition, housing, daily meals, and new uniforms. These funds will also help support a teacher's salary.

LOCAL GIVEBACK

What makes the program unique is that for every pack of socks sold, you will also receive a pair of socks for donation to a local organization.

PERSONAL CONNECTION

Choose the child you will sponsor and receive pictures and letters from them during the school year!

Raise Funds For Your Chapter

Once you sell 60 packs of socks, all additional profits will go directly to your chapter or an organization of your choice!

Selling the Socks

*We Help Two will send socks to your chapter at **NO UPFRONT COST**. Your chapter also can set up an online store to help reach even more people!*

About We Help Two We Help Two is an official fundraising partner of FCCLA and was founded on the belief that fundraising can be done in a way that benefits two causes. Through their unique fundraising method, FCCLA chapters will not only raise funds for their cause but also impact their local community through the local sock donation program at no additional cost! For every two (2) 3-pair sock packs or three (3) single pairs sold, one (1) pair will be donated to a local community support organization of the fundraisers' choosing.
