

Say Yes to FCS Lesson Plan

Topic:

Say Yes to FCS Breakout Lesson - Digital Lock

Grade Level: 7-12

Time Frame: 20-40 minutes

Materials Needed:

- [Say Yes to FCS Digital Lock Website](#)
- *A Digital Lock is a virtual escape room. Students must use the information on the digital lock website to answer the lock questions also found on the digital lock website.*

Objective

Students will research and learn about Family and Consumer Sciences and the career opportunities highlighted through the Say Yes to FCS campaign.

Family and Consumer Sciences Standards:

Career, Community and Family Connections: 1.1.1, 1.1.3, 1.1.4, 1.2.1, 1.2.4, 1.2.8, 1.3.1

Directions:

- Lock can be done by individual students or in groups, so long as each has an internet device.
- Provide the link to the lock and see who completes it first.
- Students will have to click on links within the lock page to find answers.
- Only exact answers will solve the lock

Follow Up Questions:

- What is Family and Consumer Sciences?
- What are the benefits to saying Yes to FCS?
