My Service

Date	Event Name	Detail	Hours
08/19/2022	We Help Two - Water for Africa	Helped organize and facilitate a chapter fundraiser in support of FCCLA's We Help Two Water for Africa service project. Our chapter set up a booth during Back To School Night. Members explained the benefits of joining FCCLA to students and parents and encouraged those who stopped by the booth to purchase socks to support the Water for Africa service project. We were able to exceed our goal of selling 60+ socks. Proceeds from sock sales went directly toward helping raise funds for 36 water projects in communities throughout Rwanda.	5
