

2019 FCCLA Bylaw Amendment Proposal

A bylaw amendment is proposed by the FCCLA National Board of Directors to the following:

Article IV. Section 2:

The fiscal year shall be September 1 through August 31.

Amendment Proposed to read as follows:

Article IV. Section 2:

The fiscal year shall be August 1 through July 31.

Rationale:

FCCLA currently opens its membership on August 1 due to early school start times and this revised fiscal year will allow us to more easily record those membership dues.

Additionally, the National Leadership Conference is the large culmination event for the organization and bookmarks the end of the year. Moving the fiscal year to coincide with this month will better reflect the activities of the organization.

If you have any questions or concerns regarding the proposed Bylaw amendment adjusting the fiscal year, we welcome your questions and/comments. Please email Board Chair, Reno.Palombit@dpi.nc.gov.
